GEOS Cairns - Cairns College of English

Home to the magnificent Great Barrier Reef and timeless tropical rainforests, the Tropical North is frontier land with golden beaches, exotic islands, majestic mountains and breathtaking landscapes.

One of the fastest growing international tourist destinations, Cairns is a place of adventure, fun and excitement. Above all it is a safe place where genuinely hospitable people share their lifestyle with overseas visitors. Cairns has an extensive network of international flights from all over the world arriving at its doorstep every week. With a small population of 130,000 people, it is an ideal location to fully appreciate all that Australian friendliness and hospitality has to offer.
