GEOS Christchurch - Christchurch Language Centre

Christchurch is the gateway to the South Island. It is located on the east coast and one hour from the mountains. For students who want to experience the fresh air and natural wonders of New Zealand, Christchurch is the perfect base. On the other hand, Christchurch, a small lively city, has all the entertainment options that any city dweller would enjoy.

CHRISTCHURCH

School History

GEOS Christchurch was a brand new school when it opened in 1997. It started with 5 students and now there are 120.

School Location

GEOS Christchurch is located right in the heart of the city on two floors of a modern office building. It is on a smart pedestrian mall, about 3 minutes walk from the city centre and next to the beautiful Avon River.

Students

Students come from many different countries so there are usually 15 different nationalities in the school. The maximum number in one class is 12 students so all students can interact with each other and their teacher easily.

Student Facilities

- Two large student common rooms
- Student kitchens
- Free tea and coffee
- 10 computers for free email and internet
- A self-study centre
- Table tennis

Classrooms

There are 14 classrooms, which are very spacious and comfortable. Large windows give full natural light during the day and a magnificent 360 degree panorama of Christchurch, the Avon River and the Alps.

Staff

All teachers are CELTA trained and have experience teaching in many different countries.
